What kind of coupon does Burger King offer? They started a corporate restructuring of the chain, renaming the company Burger King. One per guest. Contact us for updates. They are best known for their Jumbo Jack burger as well as their long running clown in a box logo a mascot. Airport venues do not normally follow any of these promotions. This strategy proved to be so effective that they later required all their franchises to use the device. These can work with both online mobile ordering and in store. Valid only at US Burger King restaurants. They managed company as independent for eight years (later expanding to over 250 locations in the United States), before selling it to the Pillsbury Company in 1967. After selling Burger King to Pillsbury, the management began to try to remake Burger King.
